IN LOCAL CINEMAS NOW

3D

OZ THE GREAT AND POWERFUL

PG

Out Now

www.facebook.com/ozmovieUK

The story of how the great wizard himself got to the land of Oz is told in this epic fantasy adventure, directed by **Sam Raimi** and starring **James Franco** as small town magician Oscar Diggs. Oscar escapes by balloon from his own world and, arriving in the fantastical new land finds riches a-plenty, but just as many problems besetting the diverse residents of this beautiful yet troubled place. He meets three witches; Theodora (**Mila Kunis**), Evanora (**Rachel Weisz**) and Glinda (**Michelle Williams**), plus plenty of others besides as he learns that his own brand of 'magic' and goodness might just save the day.

THE INCREDIBLE BURT WONDERSTONE

Out Now

www.facebook.com/BurtWonderstoneUK

Steve Carell is on magical form as illusionist Burt Wonderstone, who has long wowed Las Vegas audiences with sidekick Anton Marvelton (**Steve Buscemi**). But their pre-eminence is threatened by the edgy antics of street magician Steve Gray (**Jim Carrey**), forcing them to return to what originally made them fall under the spell of stage magic.

EASTER FAMILY FILMS

3D

JACK THE GIANT SLAYER

12A

From March 22

www.jackthegiantlayer.co.uk

When a farmhand unwittingly opens a gateway between two worlds, unleashing a race of malevolent giants upon the Earth, he must make amends for his mistake. So it is that Jack (**Nicholas Hoult**) is thrust into the role of unlikely hero in this rousing, larger-than-life adventure for all age groups from X-Men director **Bryan Singer**.

3D

THE CROODS

U

From March 22

www.thecroodsmovie.co.uk

This comedy-adventure follows the world's first modern family as they embark on the journey of a lifetime after the cave they called home is destroyed. Travelling across a spectacular landscape, the Croods are rocked by generational clashes and seismic shifts as they discover a world filled with fantastic creatures – and their outlook is changed forever.

3D

FINDING NEMO

U

From March 29

www.facebook.com/DisneyUK

Pixar's much loved 2003 animated hit returns to the screens in 3D form, introducing a new generation of cinema audience to a classic tale of parental love that begins when Marlin (**Albert Brooks**) loses sight of his precious son Nemo (**Alexander Gould**). So begins an oceanwide search packed with laughter, cheers and the odd tear.

ACTION & ADVENTURE

3D

G.I. JOE: RETALIATION

From March 27

www.gijomovie.co.uk

Betrayed by their own government, the G.I. Joes are forced to pick themselves up from a deadly assault, and prepare to respond in kind. Veteran of the hit 2009 original **Channing Tatum** is joined by stars including **Dwayne Johnson** and **Bruce Willis** this time around, in a sequel that promises to be even more explosive.

DRAGON

From April 5

www.metrodomegroup.com

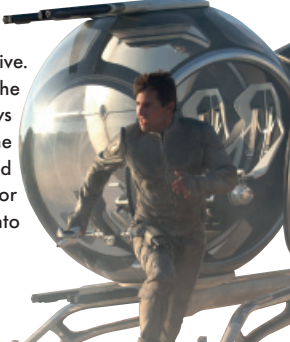

A mild mannered villager becomes a local hero when he saves a shopkeeper from gangsters who had threatened his business. But his momentary act of bravery lets slip the secrets of his dangerous past, history which soon revisits him in this action packed wuxia tale from director **Peter Chan**, with **Donnie Yen** heading the cast.

OBLIVION

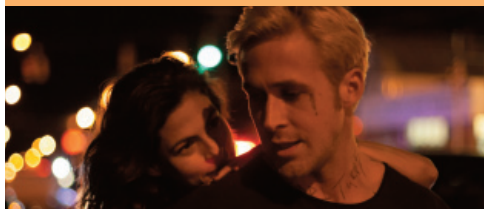

From April 12

www.universalpictures.co.uk

With Earth in ruins after a brutal alien conflict, disgraced soldier Jack Harper (**Tom Cruise**) is visiting one former warzone to repair drones and ensure no invading races survive. But he discovers that the enemy is not always so obvious, as the truth about a troubled and turbulent past for mankind comes into clearer focus.

THE PLACE BEYOND THE PINES

From April 12

www.studiocanal.co.uk

Ace motorcycle stunt rider Luke (**Ryan Gosling**) puts his skills to use robbing banks, only to meet his nemesis in the form of a policeman (**Avery Cross**) who is as determined to stop him as he is to get away. The cat-and-mouse game continues over many years, soon touching the lives of a new generation. Also stars **Eva Mendes**.

IDENTITY THIEF

From March 22

www.universalpictures.co.uk

The well ordered life of businessman Sandy Patterson (**Jason Bateman**) is thrown into turmoil when his credit cards are cloned and identity is stolen by brash chancer Diana (**Melissa McCarthy**). His efforts to take back what is his, however, prove far from easy as the laughs come thick and fast in this raucous knockabout comedy.

THE ODD LIFE OF TIMOTHY GREEN

From April 5

www.facebook.com/DisneyUK

Happily married couple Cindy and Jim Green (**Jennifer Garner** and **Joel Edgerton**) would like nothing more than a child of their own. Their dream unexpectedly comes true when young Timothy Green (**CJ Adams**) knocks on their door one rainy night and introduces himself to his bemused parents, in this engaging and highly original family fable.

BIG LAUGHS

SPRING BREAKERS

18

From April 5

www.vertigofilms.com

Friendship takes on extra importance for a group of American college friends when they risk everything for the holiday of a lifetime. **Selena Gomez** and **Vanessa Hudgens** head the cast, as two of the four pals who find themselves drawn into a world of hedonism and crime, encouraged by bad boy rapper Alien (**James Franco**).

SCARY MOVIE 5

From April 12

www.entertainmentfilms.co.uk

There are several things going bump in the night, as the Paranormal Activity movies and sundry other horror tales are spoofed in this gleeful send-up. They're certainly ripe for a comedic twist, and get their just desserts at the hands of writers responsible in the past for the Airplane, Naked Gun and Hot Shots movies.

Denotes a film released in 3D as well as 2D versions.

THRILLS & CHILLS

COMPLIANCE

From March 22 www.sodapictures.com

The urge to unquestioningly obey authority is taken to dark extremes in this American drama, inspired by actual events. A prank call to an Ohio burger restaurant convinces the highly strung manager that an employee has committed a crime, setting in motion a dramatic chain reaction that will have a profound effect on everyone concerned. Stars **Dreama Walker**.

TRANCE

From March 27 www.Facebook.com/TranceMovieUK

Mind games in the world of high art are the backdrop for **Danny Boyle's** eagerly anticipated new thriller. **James McAvoy** plays Simon, an auctioneer in league with a criminal gang who finds himself under pressure when the painting he helped to steal goes missing. **Vincent Cassel** and **Rosario Dawson** co-star in a hypnotically compelling tale.

IN THE HOUSE

From March 29 www.momentumpictures.co.uk

A jaded teacher (**Fabrice Luchini**) is thrilled to discover the rare writing talents of a 16 year old student, but as he grows closer to the boy finds that this gifted teenager's eloquently expressed stories have a disturbing basis in reality. **Kristin Scott Thomas** co-stars in an increasingly claustrophobic French thriller directed by **Francois Ozon**.

THE HOST

From March 29 www.thehostthefilm.com

The latest from **Twilight** author **Stephenie Meyer**, this epic love story imagines a future in which humanity has been overrun by an alien species that inhabits their bodies, erasing their memories. But the urge to hold on to those emotional strands that bind us together proves hard to break. **Saoirse Ronan** and **Max Irons** star.

SNITCH

From April 5 www.momentumpictures.co.uk

Inspired by real events, this tense thriller features **Dwayne Johnson** as John, a devoted father who goes undercover to infiltrate a drug cartel in order to save his son from prison. A fine cast includes **Susan Sarandon**, **Benjamin Bratt** and **Barry Pepper**, but action takes centre stage as John risks everything to protect his family.

DARK SKIES

From April 5 www.momentumpictures.co.uk

A life of suburban normality turns into a nightmare for the Barret Family when a series of unexplained and extraordinary events point to the presence of a mysterious force around their home. Nothing, it seems, can protect them from a terrifying fate at the hands of an unseen foe, in this darkly gripping fantasy tale.

MUSIC & DANCE

REINCARNATED

From March 22 www.dogwoof.com/films/reincarnated

American rapper **Snoop Dogg** journeys to Jamaica and experiences an epiphany in this fascinating documentary, as he embraces the culture and tradition of the island while reinventing himself musically. And, as he delves deeper within Rastafarian culture, he emerges a new man and is dubbed Snoop Lion by islanders who embrace him just as warmly.

GOOD VIBRATIONS

From March 29 www.theworksfilmgroup.com

The story of Belfast music impresario **Terri Hooley** is so incredible you feel it must be made up. But the man who recorded The Undertones' breakthrough hit Teenage Kicks is real, and the background to his up-and-down career promoting bands in a troubled region during difficult times makes for a feelgood hit of its own.

A LATE QUARTET

From April 5 www.artificial-eye.com

Boasting a starry cast that includes **Christopher Walken**, **Philip Seymour Hoffman** and **Catherine Keener**, this intense, tension fuelled drama follows a respected classical string quartet as it heads toward its final performance. Peter (**Walken**) has announced his intention to leave through ill health, sparking egos, unearthing bitterness and provoking arguments through to the final curtain.

FIRST POSITION

From April 12 www.artificial-eye.com

Young dancers hoping to make it in the unforgiving world of ballet dominate this fascinating documentary, as it follows their dreams and ambitions in the Youth America Grand Prix. This begins with 5,000 entrants, and offers the chance of scholarships and professional contracts for those lucky few who are still dancing at the very end.

MOVING STORIES

NEIGHBOURING SOUNDS

From March 22 www.artificial-eye.com

This stylish film from Brazil introduces the diverse folk living in an upmarket residential street, whose lives appear to be improved by the arrival of private security guards. But all is not as it seems in this fractured community, where wary locals protect themselves from the outside world by locking themselves into their gated apartments.

HOME

From April 5 www.vivaverve.com

An award winning Turkish film that eloquently captures the human desire for meaning in a fast changing world, Muzaffer Özdemir's film follows the journey of architect Dogan who revisits his homeland for the first time in many years in search of the familiar but finds instead an uneasy balance between the past and the present.

WIN Movie Prize Bundle
