# IS THIS REALLY THE FATHER YOUR CHILD SEES?

IT'S SURPRISING  
HOW QUICKLY  
CHILDREN LEARN.

Do you check your partner's text  
messages and voicemails?

Do you get angry when your partner  
wants to spend time with their  
friends?

Do you use hurtful or  
threatening language?

Violence and abuse is  
a decision you make.  
Choose to change.  
It's your call.
