

WE WANT YOU!

Fancy being a sail trainee aboard a Tall Ship? We're looking for young people aged 16+ to embark on a life-changing journey at sea racing from Liverpool to Dublin as part of the **Three Festivals Tall Ships Regatta 2018**.

This is a chance to experience life at sea and make new friends. It's an adventure that builds confidence, fosters personal development and teaches valuable life skills. **No experience is necessary**; the trained crew will involve you in:

- > Taking part in a watch system
- > Hoisting sails
- > Climbing the mast
- > Navigating and steering
- > Cleaning and cooking

How much does it cost?

Funding opportunities and bursaries are available, and we'll help with ideas for fundraising to cover the cost of the trip.

When is it?

Sail trainees will start their experience in Liverpool on 24 May 2018 and need to be available for the trip for approximately 10 days (this includes in-port and sea days). Return travel from Dublin will be arranged for all trainees.

How can I get involved?

Simply email tall.ships@liverpool.gov.uk to find out more.
